surely your client did not forbid you from doing a due diligence check as required by r 11. you surely would not have agreed to such a restriction. you are probably aware that NY busin. law require any assignments of shares in a corporation to be by written instruments. and unless someone has forged my signature then there is no such instrument. i have never assigned ant rights to group travel solutions inc or to adir group inc, both NY cos, to any of your clients, naim philips or shneior zilberman or image rent a car. use of these corporations by your clients is a serious fraud being worked on the court and on the creditors and on the creditors attorneys and on the trustee and on me and my cos and i might add on you too. your clients have no right to risk your reputation on this.

it is incumbent on you as an officer of the court to do a due diligence rule 11 check on the 2 corporations that shneior zilberman and image rent a car inc are using for settlement in the bankruptcy case re image rent a car, shneior zilberman, gad sebag adir group inc, group travel solutions inc, et al

the 2 corporations, adir group, inc. and group travel solutions, inc, were stolen from us by shneior zilberman.

a quick search of the secretary of state records on line will demonstrate that neither image rent a car inc nor shneior zilberman are associated with the 2 corporations.
